# New thread

The screenshot displays a web application interface with a dark header bar containing 'Home', 'Courses', and 'Threads' links, and a user profile 'fisnik' with a 'Logout' button. On the left, a sidebar lists filters for 'Program', 'Year of study', 'Semester', and 'Type', along with a 'Filter' button and a list of courses including 'MashinskoUcenje', 'Kriptografija', 'Robotika', 'KompjuterskaEtika', 'VebBaziraniSistemi', 'StrukturnoProgramiranje', 'Objektno-orientiranoProgramiranje', and 'NaprednoProgramiranje'. The main area is titled 'Threads' and shows a list of threads. A 'New Thread' button is in the top right. A 'New thread' modal dialog is open, featuring a title field, a text area with a placeholder 'Enter text here...', and a course selection dropdown with options 'VebBaziraniSistemi', 'VovedVoBioinformatika', and 'VovedVolInformatika'. A confirmation message 'Thread posted' with a 'Close' button is shown at the bottom right.
